

EAEVE Veterinary Education Establishments' Status

This table is listing the EAEVE membership status and the outcome status of the Veterinary Education Establishments (VEEs) after following the European System of Evaluation of Veterinary Training (ESEVT).

In line with the EAEVE Statutes (<https://www.eave.org/about-eave/statutes.html>), the Association is composed of Full members, Candidate members and Associates:

Full members are the European (European member states, as defined by the Council of Europe, or Establishments enjoying full membership as of May 2018) Establishments for Higher Education in Veterinary Sciences, which lead to an academic degree, permitting application for a professional status allowing the exercise of veterinary medicine that:

1) have been approved/accredited or conditionally approved/accredited by ESEVT,

Candidate members are the European (European member states, as defined by the Council of Europe or Establishments enjoying full membership as of May 2018) Establishments for Higher Education in Veterinary Sciences, which lead to an academic degree, permitting application for a professional status allowing the exercise of veterinary medicine that:

1) have applied for Candidate membership through the Executive Committee after completing an ESEVT Consultative Visitation and have been admitted by the Executive Committee,

2) have been reclassified from Full to Candidate membership by the EAEVE General Assembly following the EAEVE Statutes.

Associates are non-European Establishments, as defined by the Council of Europe, for Higher Education in Veterinary Sciences, which lead to an academic degree, permitting application for a professional status allowing the exercise of veterinary medicine that have applied for Associate membership through the Executive Committee after completing an ESEVT Consultative Visitation and have been admitted by the Executive Committee.

Veterinary Education Establishments that are not listed in this table are not members of EAEVE

In line with the ESEVT Standard Operating Procedure (<http://www.eave.org/esevt/sop.html>), the decision by ECOVE on the outcome status of the VEEs after following the ESEVT can be one of the following:

-) **Accreditation** - under SOP 2016 and SOP 2019 - or **Approval** - under SOP 2012 - in case of no Major Deficiency;
-) **Conditional Accreditation** - under SOP 2016 and SOP 2019 - in case of 1 single Major Deficiency;
-) **Non-Accreditation** - under SOP 2016 and SOP 2019 - or **Non-Approval** - under SOP 2012 - in case of several Major Deficiencies.
