Logo usage policy

The European Association of Establishments for Veterinary Education (EAEVE) logo is a symbol of the Association's commitment to represent and support its member establishments within Europe and globally, to drive the harmonization of a research-based veterinary education and its constant evolution in the context of societal challenges.

The EAEVE logo is a registered European Union trade mark (EUTM Registration No: 018925009). We ask you to ensure that you use the logo only in connection with your EAEVE membership and ESEVT accreditation status, and to avoid any misrepresentation of the role and meaning of your membership and status.

Parties wishing to use the EAEVE logo for any other purposes must obtain explicit written permission. Please contact the EAEVE Office at office@eave.org for assistance.

Members

Veterinary Education Establishments that are members of EAEVE (Full members, Candidate members or Associates) may use the EAEVE logo on their website and communication media to promote their EAEVE membership.

Veterinary Education Establishments and organisations that are no longer affiliated to EAEVE shall cease to use the relevant EAEVE logo.

Partner Organisations

EAEVE is pleased to collaborate with organizations that share its values and objectives in the harmonization of a research-based veterinary education and its constant evolution in the context of societal challenges.

We are often asked by partner organizations for permission to express this relationship by using our logo on their digital and printed communication materials. Please contact the EAEVE Office at office@eave.org for assistance.
